FAQs

Everything students and parents usually want to know before registering.

Is registration with EduRise Shiksha Foundation really free ?

Yes. Registration, counselling and all core programs are completely free for eligible students — EduRise Shiksha is a non-profit foundation and does not charge fees for guidance or coaching.

Who can apply — is there an age or class limit ?

Any student from Class 6 through graduation can apply. We especially welcome students from rural and semi-urban schools who may not otherwise have access to career guidance.

What documents do I need to register ?

You will need your Aadhar number, recent academic marksheet, a passport-size photo, and a parent/guardian contact number. No documents need to be uploaded at registration — verification happens after you submit the form.

How long does verification take after I submit the form ?

Our team typically verifies applications within 3–5 working days and will contact you on your registered mobile number.

Can I apply for more than one program at once ?

Yes, you can select multiple interested programs — such as Scholarship, Computer Course and Spoken English — in the same registration form.

Do you help specifically with Navodaya Vidyalaya entrance exam preparation?

Yes, Navodaya Guidance is one of our core programs, with structured preparation support for Class 6 entrance exams.

Is coaching available in Marathi or Hindi, not just English?

Yes. Most of our counselling and foundational courses are offered in the local language, with English-medium options available for advanced courses.

Can schools partner with EduRise Shiksha Foundation directly ?

Absolutely. We work with schools on digital labs, teacher training and career-guidance workshops — reach out through our Contact section to start a partnership.

What happens after I get selected for a scholarship?

You'll be assigned a dedicated counsellor who tracks your academic progress and helps you renew or transition to further scholarships each year.

How can I check the status of my application ?

Once submitted, our counselling team contacts you directly by phone. You can also reach out any time using the contact details in the footer.

What Families & Schools Say

Real stories from students, parents and teachers we've worked with.

"My daughter got scholarship guidance and free counselling — something we could never have afforded on our own. She is now preparing for CUET with real confidence."
Sunita Patil
Parent, Nashik District

"The spoken English and Python classes changed how I see my own future. I used to think engineering was out of reach — not anymore."
- Rahul Jadhav
Student, Class 12
Chh. Sambhajinagar

"EduRise Shiksha's school development support brought a working computer lab to our village school for the first time. The impact on our students has been immediate."
Anita Kulkarni
Teacher, Zilla Parishad School
